244K Compact Wheel Loader

304K Compact Wheel Loader

324K Compact Wheel Loader

# The lowdown on high productivity.

Whether it's moving snow, dirt, mulch or pallets, the John Deere 204K Compact Wheel Loader offers a cab or canopy option, great breakout force and operator comfort for a great value.

**Features include:**

- Low profile design to fit in tight spaces
- Elastic articulation at the pivot for a smoother ride
- Limited slip differential
- Ergonomic, low-effort, boom/bucket control lever with integrated F-N-R switch
- Power quick-attach skid steer coupler

**NEW 204K Compact Wheel Loader**  
canopy machine with skid steer quick coupler, 1-yard bucket and replaceable edge

**\$27** per day\*
